SOLUTIONS & SERVICES PORTFOLIO

Document management environments that require higher paper input capacity and/or use mixed paper size documents can expand the functionality of Brother devices. Optional accessories help users improve productivity, while also providing the flexibility to meet changing document management needs. Focus on capability, scalability, and configuration – now or later.

These add-on solutions include:

Stapler Finisher (SF-4000)

Add this option to staple documents up to 50 pages and to produce multiple copies with job offset. Easily group and sort documents when printing reports and meeting handouts. Stapler and job offset can be used simultaneously or individually. Total output capacity of 500 pages and easy installation without tools.

COMPATIBLE WITH:

HL-L6400DW | HL-L6400DWT | HL-L6400DWX | HL-L6400DWG

Tower Tray (TT-4000)

The tower tray option includes four 520-sheet capacity trays and a stabilizer with wheels. Ideal for large, high-volume workgroups that require multiple trays to customize workflows. Reduce time-consuming tray refills and store mixed paper types or sizes, with automatic printing up to legal-size.

COMPATIBLE WITH:

MFC-L6900DW | MFC-L6900DWX | MFC-L6900DWG
HL-L6400DW | HL-L6400DWX | HL-L6400DWG

COMPATIBLE WITH (USING TC-4000 CONNECTOR):

MFC-L9570CDW | HL-L9310CDW

HL-L6400DW monochrome laser printer configured with optional SF-4000 Stapler Finisher and TT-4000 Tower Tray.
